Agenda Item 8: Reports on Matters arising from the Minutes.

8.1.1: B3253 Speed limit – PCSO Dave Billing arranged a speed monitoring he asked PC Woodhead if he could carry out some speed checks on the above road due to your concerns. He and another Officer carried out speed checks on Saturday 6th August in the afternoon. He positioned himself near the bus stop nearest to the shop. His results were, vehicles coming from the Looe direction 30 vehicles and the top speed was 35mph and vehicles coming the other way towards Looe 20 vehicles and the top speed was 39mph.

The Clerk has asked for this to be repeated on a work day.

The Clerk has written to our MP Sheryl Murray, she replied with a 'stock reply' and insinuated that County Councillor Armand Toms is able to make this happen. The Clerk has spoken to Armand who is contacting Sheryl Murray. (see attachments).

8.1.2: Pendrym Barton – Discussed at the Looe Town Council Planning Meeting and a case raised with the planning team.

Agenda Item 11: New Business:

11.1.1: Mayor for Cornwall – Email received below: -

Dear St Martin-by-Looe Councillors,

You may have heard that Cornwall Council is planning to propose a new Mayor of Cornwall. I am writing to you on behalf of the Let Cornwall Decide campaign to ask you if you would be willing to back a Cornwall-wide call for this huge change to be decided by the people of Cornwall, rather than by as few as 44 councillors in a single meeting at County Hall. For more details on this please see www.letcornwalldecide.com.

We are a group of residents and (some) councillors from all party and political backgrounds who want this decision to be made democratically. We have a petition running which could be debated at Cornwall Council. The campaign is being run by ordinary residents who feel strongly about this. It also has the support of a mix of Conservative, Independent, Labour and Liberal Democrat councillors. We know that some Cornwall MPs back a referendum too.

If you agree this is important for the people you represent, there are three things you might consider doing:

1. Pass a MOTION calling on Cornwall Council to conduct a referendum (see possible model wording below). NB September is soon enough (earlier even better)
2. Recommend to all your local Cornwall Councillors that they should let the people decide whether there is a Mayor.
3. Sign the petition yourself and share it on your social media.

POSSIBLE MOTION WORDING: "St Martin-by-Looe Parish Council believes that the way Cornwall is governed is extremely important to our local residents. We note the emerging proposals for a possible change to a powerful Mayor of Cornwall with their own staff, budget and choice of Cabinet. We believe that such a system should only be implemented if the people of Cornwall support it. We call on Cornwall Council and our local Cornwall Councillors to ensure that there is a referendum of all voters in Cornwall on whether to introduce this significant change, as set out in the relevant legislation."

We stress that this is about who decides on the change to a Mayor. Backing this campaign does not mean you need to be for or against a Mayor – just that it should be the people's decision.

Please do ask us for any further information. Thank you for reading!

Very best wishes,
Matthew McEvoy

Dear Mr Hyde

Re: B3253 – No Man's Land 50 MPH

Thank you for your recent email in respect of the above.

This road is the responsibility of the local highways authority which is Cornwall Council and the local Councillor for the area should be the person to contact.

However, I have asked my Office to raise this matter with the local Highways Authority and you may also be interested in the "Community Speedwatch Programme", which can be set up by interested community groups. The details can be found here <https://www.devon-cornwall.police.uk/support-and-guidance/on-the-road/speed-watch>

As soon as I am in receipt of a response from the Highways Authority I will write to you again.

Kind regards

Dear Mr Hyde

Re: The B3253 50MPH Speed Limit at No Man's Land.

Further to your contact with my office, please find below an extract of an email I have received from Mr Glassup at Cormac Solutions Ltd in respect of the above.

"I have been in regular contact with Mr Hyde and St Martins Parish Council. This area of the A387 through No Man's Land has been passed through to us via the Community Network Panel Highways Scheme expression of interest. If this is voted upon as a scheme in the next round of funding, options will be explored in regards to legality of how we could potentially reduce speed through the village.

The new round of funding will be reviewed in the Autumn and a forward programme for the next two years will be decided upon."

I appreciate you taking the time to contact me on this matter and should I be of any assistance in the future, please do not hesitate to contact me again.

Kind regards
