Cliff erosion, Millendreath – So far this year, working on erosion estimateds by the Coastal Protection Team, 6 years' worth of cliff erosion has taken place at Millendreath, currently the garages on the cliff are now just feet away from collapse. Councillor Lawes is monitoring the situation.

B3253 Hedges need cutting – Millendreath junction visibility poor due to hedge growth, also at the Cuddy Shack entrance. The Clerk to report to Cormac.

Vice Chair Powley:

B3253 proposed speed reduction – In view of the two serious accidents at Island Cross could we please ask again for a rethink into extending the proposed 40mph limit to Dovers. The Clerk will contact William Glassup at Cormac.

County Councillor Armand Toms:

Fish Market closures – The recent closure of their fish market at Plymouth is causing the fishing Industry in Looe big problems with road transport having to be arranged to take the fish to Brixham, this is expensive and the current arrangements are only temporary until a solution can be found.

South West Water – Community Meeting – To be arranged to enable the community and its representatives e.g. Parish Councils and local businesses to attend to discuss concerns, County Councillor Armand Toms encourages as many people as possible to attend.

Second Homes in the parish – Currently figures from Cornwall Council have recorded 26% of the homes in the parish as second homes (not holiday lets or AirBnb), if these homes were permanent the contribution to the council tax collected could be considerable. In Looe alone 10% of property is being used as AirBnb.
